MARCH RECAP:

March brought the resident here at Seneca Lake Terrace many eventful activities. On March 8th we held our Annual "Mardi Gras Party" with live music by the "Touch of Joy" along with the famous "King Cake"! After the Mardi Gras Party came our St. Patrick's Day Party. The residents enjoyed eating sugar cookies and green shamrock shakes during this celebration, and are already looking forward to next years celebration!

We had many entertainers who shared their wonderful talents with all our residents here at Seneca Lake Terrace. Entertainers were St. Steven's/St. Francis Choir, Bob Hanley, Touch of Joy & Larry Stamatel, to name a few.

The ladies enjoyed "Ladies Night Out" at the "Villager" in Canandaigua on April 15th. The Gentlemen kicked up their heels for "Guys Night Out" at Parkers in Seneca Falls.

MEMORY CARE NEWS . . .

Yes! Spring is finally in the air and boy are the residents looking forward to getting outside. We have started discussing planting ideas for our garden club, but have not yet made any decisions. Along with making decisions for gardening comes decisions for our outings & trips that we would like to take this year! If you have any ideas, we would love to hear from you. We have scheduled a few outings in the month of April; 4/20 will be a Spring ride and 4/29 will be a ride out to see the country views.

The residents in Memory Care have many opportunities to reminisce during activities, especially during their baking club. Last month the residents had made the Kings Cake for the Mardi Gras celebration, & for lunch the residents had made pizza that was served to all the residents.

The Memory Care residents were very creative this month during craft club making Shamrock placemats, shamrock necklaces, and had painted wooden crafts to make logos on

greeting cards that are used to send to family members.

This month we will be introducing some new word games such as "Old Sayings" and "A Trio of Words". These games help stimulate the residents memory at all cognitive levels. These games are also a great spur of the moment
