JULY RECAP:

The residents have had a fun filled, busy month. The Seneca Lake Terrace Chorus group performed at Seneca Lake Terrace's annual July 4th celebration, singing patriotic songs. The chorus group received many compliments and the residents are looking forward to their next performance. If any resident would like to join our chorus group, please see Elaine Hilliard for the details. The chorus group usually performs twice a year and is a fun way to meet others and share your vocal talents!

The residents took a trip to the Farmers Market in Seneca Falls located in People's Park. The Farmers Market features locally produced fruits and vegetables, baked goods, Amish made crafts and other local products. The weather was perfect and the residents enjoyed looking at all the items for sale. After the Farmers Market, the residents dined at Parkers restaurant, which they thoroughly enjoyed.

The first place winners of the Wii Bowling league were "The Silence and Fun Team", with a total score of 1519. The first place team received a trophy which is on display in the ice cream parlor. The second place team, "The Swingers" had a total score of 1392. The residents of this team received ribbons. Third place went to "The Rollers" with a total score of 1373 and fourth place was "The Firecrackers", with 1,307 for their score. Congratulations to all the participants! Wii Bowling League will be forming in the Fall, so please see Elaine if you are interested in joining!

Memory Care News. . .

What a busy month for the Memory Care residents! We enjoyed many morning walks outdoors while socializing about the garden, the warm weather and just about nature!

Our “Baking Club” as always, enjoyed making pizza for lunch and had a great time making fruit pizzas and fruit parfaits which the residents enjoyed as a refreshing afternoon snack. “Crafters Club” enjoyed socializing while working on our fine motor muscles as the residents painted different craft projects through out the month.

The outings as always are a big hit. The residents enjoyed a ride along the lake and a stop afterwards for ice cream. We also had our first outing experience to the Ramada for lunch which was a great time!

We are all looking forward to a very busy schedule in the month of August. We have not yet finalized all our plans, but will keep you updated. As always we have plenty of entertainment. GARDENING CLUB...

The garden is still looking very healthy even with the lack of rain. One of our residents used to be a farmer so he checks on the garden pretty regularly to be sure it's getting the water it needs. Soon we will be ready to eat the produce! Stay tuned for any updates
