OCTOBER RECAP:

October was a fun filled month with many fun and new activities! The residents were invited to attend a performance called “Music, Meditation & Munchies” at St. Johns Chapel on Wednesday, October 5th where they listened to organ music and poetry readings. The residents were provided a bag lunch from Seneca Lake Terrace to eat during the performance. After lunch the residents were served dessert provided by the college. The Geneva Day Treatment program located next to Seneca Lake Terrace had their annual haunted house on October 31st, where a large number of our residents signed up to attend this event. The residents snacked on cider and Halloween treats as well as toured their Haunted Mansion.

Seneca Lake Terrace’s annual Halloween Party was held on Monday, October 31st. Many of the residents came in costumes and the living room was decorated in the spirit of Halloween! Following the party, children from the Boys and Girls club came for an afternoon of Trick-or-treating. There were many other fun filled activities including musical entertainment, card games and a magic show. Please be sure to check the November calendar for many fun filled activities!
