SEPTEMBER RECAP:

The residents were very busy during the month of September and they are looking forward to a busy Fall season. The men’s quartet which performed on September 6th was fabulous , with many requests for a return performance. Some of the residents here had mentioned that they had sung in a quartet in their earlier years, so you can imagine the surprise when they were invited to sing a few songs! We have had a large turnout for our Wii bowling league, either as participants or just spectators. Team scores are tracked on a poster located in the ice cream parlor. Be sure to stop and take a look at the scores to see the progress of the teams.

National Assisted Living Month was celebrated on Friday, September 16th. Assemblyman Brian Kolb made a surprise visit plus the Finger Lakes Times was here to take photos. There was a photo printed in Wednesday September 21st issue. We had the Seneca String Quartet was here to play and the residents enjoyed dressing up for this celebration. There were delicious hors d’oeuvres, plus wine and punch served during this event.

On September 23rd, the residents with a few staff members went on a Luncheon Cruise on the Esperanza Rose located in Branch port, NY. The cruise consisted of a partial tour of Keuka Lake and the captain shared many interesting facts. The residents were able to enjoy beautiful sights as well as a delicious lunch. Great conversation was had by all!
