# September Newsletter

## AUGUST RECAP:

The annual Luau Party was held on August 5th. Many residents attended wearing Hawaiian themed attire. Two staff members along with a guest presented a “Hawaiian Dance”, which was enjoyed by all. The residents were served fruit and Hawaiian tea. Pictures of this event were posted next to the August calendar for all to see.

The Seneca Park Zoo visited on August 17th for our annual Butterfly release program. This program gives residents information about the life of a Monarch butterfly. Many residents were able to release a butterfly from the palm of their hand. The residents were also served refreshments and a snack during the presentation. The Seneca Park Zoo also adds a plant to our butterfly garden as well as tends to the garden located in the court yard.

The residents were busy with many other activities including visits from volunteers, Finger Lakes dining, shopping, musical entertainment and various card games such as euchre, bridge and rummy.

## SEPTEMBER NEWS:

We have added some exciting entertainment to the September calendar! On Tuesday September 6th, we have “barber shop” music scheduled. The singers are new to Seneca Lake Terrace and are called “What” Hey Gentleman! The Seneca Sound Waves will be performing on Wednesday September 21st. The Seneca Sound waves Chorus is a chapter of Sweet Adeline’s International. Their mission is to learn and share the art of singing four-part a cappella harmony in barber shop style. Other new entertainers scheduled are “The Marbles”, this group plays a wide variety of songs.

On September 16th we will be celebrating National Assisted Living Week by having an afternoon celebration from 2:00 TO 4:00p.m. During this celebration, there will be live entertainment as well as hors d’ oeuvres and refreshments. Later that evening of the 16th, the “Lake Side Country Cloggers” will be performing in the courtyard if weather permits. If the weather is cold or rainy, the performance will be held in the main living room. The Lakeside Country Cloggers is an Appalachian style performance dance team based in Rochester, NY. Audiences love their toe-tapping, enthusiastic and high-energy dancing, so mark your calendars for a day and evening of entertainment!

On Friday, September 23rd the residents will be going on the Esperanza Rose for a lunch cruise. The cost of this event is \$36.00 which includes the boat tour and a delicious lunch. Seats are limited so be sure to sign up early with Elaine. As always, please check the calendar for exciting events and wonderful entertainment!

Tuesday, September 27th @ 10:30—Trip to "Red Jacket Farms"

# MEMORY CARE NEWS. . .

## **Recap of August:**

What a beautiful month August was and a busy one at that too! We started out the month with a Hawaiian Luau where we enjoyed Hawaiian tea, tropical fruit, crackers and a Hawaiian dance that was performed by a few of our staff members here at Seneca Lake Terrace, which the residents really enjoyed!

On August 17th, we enjoyed a morning with Seneca Park Zoo and the Butterfly release program. The residents really enjoyed being outdoors and watching along with helping in the releasing of the butterflies.

Some of our residents had the opportunity to enjoy a boat cruise on The Esperanza Rose on Keuka Lake, where they had lunch and had the opportunity to do a little sightseeing along the beautiful lake.

## **Welcome September;**

September is certainly looking to be a very busy month in our Memory Care Neighborhood. The residents will be going on a luncheon, out to Apple-bee's on the 15th and then later that month they will be going out on a Scavenger Hunt ride. This is a game that is played while the residents are out for their ride to keep them busy socializing with one another. The game is played by making a list of things they need to find, and when they find them they check them off. You would be amazed by the conversations and the laughter that occur with each of them!

Our Baking Club will be making zucchini bread, banana muffins and of course pizza for lunch. Baking club is usually held on Friday mornings. For our Crafter's Club, the residents will be making cloth bags, draw string pouches and doing some water color painting. This club is held on Wednesdays during the afternoon for their table activity time. These activities provide opportunities for the use of small motor skills, reminiscing and socializing as well as just enjoying each others company.

As always the residents from the Memory Care Neighborhood always participate in all the entertainment and special events that take place here at Seneca Lake Terrace.

# Fall

## **GARDENING CLUB...**

We've been getting plenty of zucchini and squash from our garden to be able to make our zucchini bread with, now the residents are just waiting for the tomatoes and peppers to ripen so they can pick and eat them!

## **DATES TO REMEMBER. . . . IN THE MEMORY CARE NEIGHBORHOOD. . . . .**
